

Can't come to us? We can come to you!
 Peterborough Museum Outreach

Under the Jurassic Sea EYFS & KS1 Session

In the Age of the Dinosaurs, 150 million years ago, this area was under a shallow tropical sea, teeming with life. Peterborough Museum has a superb, internationally important collection of fossils from the Jurassic period, all found locally. Let us bring some of this collection out to your school as you discover what creatures swam in these prehistoric seas.

Duration:	Approx. 40 mins.	
What happens:	Children handle the fossilised remains of the plesiosaur, ammonite, ichthyosaur, belemnite and the steneosaurus (Jurassic crocodile). Children sit in a circle around 'sea' fabric and are selected to go under the sea to find a fossil. Other fossils are passed around the circle. All children (and adults!) are encouraged to participate in actions and movement.	
Maximum group size:	Up to 30 pupils. We can work with one group at a time and up to five groups in a full day (from 9:30am)	
Recommended ratio:	Minimum 1 adult to 8 students.	
Booking information:	Email: vivacityforschools@vivacity.org Phone: 01733 864 706 / 700 When the activities and date are agreed, a booking form is emailed to you. To confirm the visit we ask that you complete the booking form and email it back to us.	
Cost:	£100: one class £180: two classes £240: three classes £280: four classes £320: five classes	No additional travel costs to school within Peterborough city council.
You might also be interested in...	... 'Sharing a Shell' storytelling with puppets and props as an additional activity for Reception children. You might also like to consider a visit to Peterborough Museum for this and other complimentary activities. For more information visit https://vivacity.org/for-schools/
